Meeting Minutes No. (17)

The Scientific Promotion Committee convened at 11:00 AM on June 22, 2026. Following the welcoming of committee members by the Committee Chairman, a specific portion of the meeting agenda was dedicated to processing the academic promotion file of Dr. Omed Safar Hassan from the rank of Lecturer to Assistant Professor.

The applicant submitted his application to the Head of the Law Department on January 22, 2026. After observing all required procedures relating to scientific promotion, the application file reached our committee. Following the execution of necessary administrative procedures and forwarding the research papers to academic evaluators, the final outcome revealed that out of three (3) submitted research papers, only two (2) papers were successfully passed by the evaluators and obtained the required passing grades for promotion from Lecturer to Assistant Professor.

Consequently, the applicant was required to submit an additional research paper to complete his application file, which mandates three (3) successfully passed research papers for promotion to Assistant Professor. Accordingly, the applicant submitted a second application on May 14, 2026, presenting one (1) additional research paper to the Law Department and the Sub-Committee for Scientific Promotion to fulfill the initial file requirements. As a result, the research paper was successfully passed by the evaluators and achieved the required score.

Note: The applicant obtained the academic title of 'Lecturer' on April 2, 2017, and was awarded his Ph.D. degree on April 5, 2022.
